# WAIKOLOA BEACH RESORT

## THE GATHERING PLACE OF THE KOHALA COAST

From its very beginnings, Waikoloa Beach Resort was intended to be a place where sun, sand and world-class amenities blended with authentic Hawaiian culture and entertainment. Today, that vision is in full bloom. Two oceanfront hotels by Hilton and Marriott are complemented by a collection of condominiums and time share options. Activities include 27-holes of championship-

caliber golf, exploration of historic Hawaiian petroglyph sites, two full service spas, ocean activities of all kinds, trekking an ancient Pacific Coast trail, a wealth of restaurants and eateries, and two shopping centers offering everything from collectible art to jewelry and fashion to nightly entertainment.

## GOLF

World renowned golf has long been associated with the Kohala Coast and Waikoloa Beach Resort is home to Hawai'i's Premier 27-Hole Golf Experience. Comprised of the Beach Nine, Lakes Nine, and Kings' Nine, each nine-hole loop offers a unique landscape for

the game with awe-inspiring views that range from the towering mountains to the brilliant blue Pacific Ocean distracting the most avid of golfers.

## SHOP & DINE

The Waikoloa Beach Resort invites shoppers to explore treasures and pleasures fit for royalty at Queens' Marketplace and Kings' Shops. Stroll an artful collection of boutiques, galleries, visitor services, and even a gourmet market for provisions. Whether you have a passion for fashion, are looking for a particular collectible, or are simply souvenir browsing, the Waikoloa Beach Resort

shopping experience satisfies that special urge to splurge. From stunning ocean, lagoon or lake view dinner houses to casual family dining, Waikoloa Beach Resort restaurants nourish body and soul with culinary explorations of Hawai'i's diversity. We also offer the Kohala Coast's only food court, with fast food options for those on the go or a budget.
